**David Heber, M.D.,  
Ph.D., F.A.C.P.,  
F.A.C.N.**

**Chairman, Scientific & Medical  
Advisory Boards**

David Heber, M.D. serves as chairman of Herbalife's 12-member Scientific Advisory Board comprised of world-renowned scientists, and its Medical Advisory Board, attended by leading scientists and medical doctors. The boards support the company's internal product development team by providing expertise on obesity and human nutrition utilized in product education

and marketing materials as well as conducting reviews and providing advice on product research and development.

Heber's main research interests are obesity treatment and nutrition for cancer prevention and treatment. He is the director of the Center for Human Nutrition at the University of California, Los Angeles\*. Heber has been on the faculty of the UCLA School of Medicine since 1978, and is currently professor of medicine and public health and the founding chief of the division of clinical nutrition in the department of medicine.

He directs the National Institutes of Health (NIH) Center for Dietary Supplement Research in Botanicals, the National Cancer Institute (NCI) funded Clinical Nutrition Research Unit and the NIH Nutrition and Obesity Training Grants at UCLA.

Heber is included in "The Best Doctors in America" and "Who's Who in America." In addition to writing over 70 peer-reviewed scientific articles and two professional texts, he has also written four books for the public: "Natural Remedies for a Healthy Heart," "The Resolution Diet," "What Color is Your Diet?" and "The L. A. Shape Diet."

Heber holds a B.S. in chemistry, Magna Cum Laude, UCLA, 1969; M.D. from Harvard Medical School, 1973; and Ph.D. in Physiology, University of California, 1978. He is board certified in internal medicine and endocrinology and metabolism by the American Board of Internal Medicine and in clinical nutrition by the American Board of Nutrition.

\* The University of California as a matter of policy does not endorse specific products or services. Dr. Heber's credentials as a Professor are for identification purposes only.
